

Child Development Center Ratios

Category	Age Group	Adult/Child Ratio
Infants	6 weeks – 12 months	1:4
Pre-Toddlers	13 months – 24 months	1:5
Toddlers	25 months – 36 months	1:7
Preschoolers	3 years – 5 years	1:10
School Age	6 years – 12 years	1:15

- **At least two caregivers must be present with each group of children at all times.**
- **In a multi-age setting, the adult/child ratio requirements for the age of the youngest child in the group must be met if children in the youngest age category make up 20% or more of the group. If the children in the youngest age category make up less than 20% of the group, the ratio for the next highest category must be met.**
